

nightlight canada – APRIL 2019 news at a glance

**a safe place
to build
meaningful
relationships**

Here's what's been going on with us:

nightlight Cambridge is celebrating its first anniversary this coming Friday! We have been thrilled to see it well embraced and supported by the Tri-Cities area. Thank you for your prayer, volunteer and financial support. We've been blessed so richly this first year, and we're excited to see what the next year will hold.

There will be a benefit concert at Maranatha CRC (94 Elgin St S, Cambridge) featuring Jeremy Benjamin to celebrate our one-year anniversary in Cambridge on Saturday, May 4 at 6:30. Visit our [nightlight Cambridge Facebook page](#) for more information.

nightlight Belleville has introduced some fun and creative activities on Wednesdays. In April, we held a bingo night complete with prizes, a game tournament night, and a seed planting night. Anyone interested could plant themselves some flowers and basil to take home and nurture in their kitchen. Eventually, if all goes well and they remember to water the seeds, they'll have both something pretty to look at and something yummy to eat. We're hosting these special events every other Wednesday; with regular coffee nights on the weeks in between.

nightlight Kingston regular Dennis, wonderfully demonstrates generosity. Out of the little that Dennis has himself, he always shares with those panning on the street corners, always looking to spread his blessings. Just like the woman who came to the temple with only two coins, she had not much to give, but she gave her everything (Mark 12:41-44). We are constantly in awe and grateful for people like Dennis, who have a lot to teach us.

Financial Update

We are grateful for all financial donations to nightlight. Currently, we need more monthly donations to help close our monthly shortfall. We are asking churches to include a monthly donation to nightlight as part of their annual budget. We are a local Ontario mission, addressing needs and serving Christ close to home. Please pray about how much you or your church could give.

Guest, volunteer and supporter quotes

We're looking for more short testimonials by people involved with our ministry. We want to share why nightlight is so important and meaningful to our nightlight Community. Send us a quote, soundbite or story about nightlight to communications@nightlightcanada.com

Prayer Requests

Belleville – We are delighted with how things are going in Belleville. It is unique and smaller operation (nightlight lite, if you will), and really thriving. Please continue praying for our volunteers and guests.

Cambridge – Praise God for a great first year in Cambridge. Pray that nightlight will continue drawing new guests and volunteers, and that a strong and positive relationship between nightlight and the city of Cambridge will form.

Kingston – We have a strong lead on a new storefront location for nightlight Kingston. Please pray that all details will work out and that a good arrangement will be negotiated. We're keen to get re-established in our own space soon.
